

SPECIAL THANKS TO LAST YEAR'S FIRST PLACE DUCK WINNERS!

Markus, Malachi, and Carlos, holding their 1ST place trophy.

Our feel good story of last year's event came at the end of the Dainty Duck Dash. Breann, who the fundraiser is in memory of, has three little cousins who remember her and loved her very much, Malachi, Markus, and Carlos. They all bought their individual ducks and decided if any of them won, they would all split the money. (First place duck was \$1000.00 cash) They were going to each keep \$250 and give \$250 back to Ducks for Bucks. Things were looking good for the group as one of Malachi's ducks entered the final heat in the race for the \$1000. Malachi then decided that if his duck wins, they should give all the money back. The others quickly agreed, and that is exactly what happens. Their duck crossed the finish line first and these three young boys donated every penny back. Markus explained "We have everything we need and these kids need help." **Wow!** Even with family encouraging them to keep it, they still wanted to give it back and we were all so proud of them. Thanks so much to these boys for such a generous and sweet gift.
